Welcome!

Happy New Year to everyone and we hope the children have settled back into the school routine.

Firstly, a big thank you to everyone that has contributed to the events that have happened in the first term. We have had pizza making, disco and lots over the Christmas period. We have managed to raise some fantastic funds already this year, currently totally at around £3000, however with an amazing match funding by a parents employer it takes us to around £5000. The ASDA Rewards also had around £1600 in the final pot which should be released to us in the Spring Term at some point.

As previously mentioned this year we are supporting with the funding towards the PROUD book machine which is already in school.

Our next big fundraising focus will be to support with the new nursery playground. We are currently looking at grants and plans on how we can help fund this ASAP. When we have further plans on the development we can share this.

Finally - just a huge shoutout to all of our volunteers who have supported with drinks selling, raffle ticket selling and face painting. We wouldn't be able to run if we didn't have the support from the volunteers.

If you wish to contribute towards ideas or funding please get in touch with the PTFA.

What is the PTFA

We are a Parent, Teacher and Friends Association who have one main aim, to support the school with as much funding as possible to ensure the children can always have the best experiences.

We meet once per term, to discuss the plans for the next term and come together to collate fundraising ideas for the school. By signing up to volunteer or attend a meeting you are not committing to anything long term!

How you can help the PTFA

EasyFundraising- free to sign up for online or via the app. Everyone that signs up gets £5 into the school fund. It allows you to purchase through over 7000 brands! A portion of your spend will also then be given to the PTFA with no extra charge to you! We will post the link to join on our socials!

Match Funding

If you work for an organisation that has a match funding policy, any money you raise from specific events could be matched by your employer. Companies may match the fundraising total for an event, or for the stall that their employee is working on. Usually, the employee will need to supply them with a letter from the PTA detailing the date and nature of the event, together with the total raised.

We understand that the high street banks, building societies, supermarkets and large corporations are likely to do match funding, but these schemes are not exclusive to the major corporate giants. If you work for an independent company, they may be interested in charitable giving through match funding too.

DragonBoat Race

On Saturday 12th July we are entering a team into the Dragonboat Race at Pugneys.

We will also hold a stall on the day.

The boats hold 20 people, we are hoping to get two entries. This will be a mix of teachers, PTFA volunteers and parents.

To secure your place on the boat you must raise a minimum of £50 sponsorship. This has the potential to raise a fab amount for the PTFA.
