Happy New School Year!

Welcome back to school after the summer break and welcome to all new starters at Dane Royd School. This week we held our annual AGM where we re-elected our committee members. They are:

Kelly West - Chair

It was also great to see some new people attend bringing some fresh ideas to the table on how we can focus and fundraise for the school this year. As always we are always looking for new ideas and volunteers - so please check out the last page of the newsletter to see all the ways you can support our PTFA.

This term will be filled with lots of exciting things for the children, the run up to Christmas sees Pizza night, Halloween disco, Santa Dash, Christmas wreath making and Christmas Raffles!

How you can support the PTFA

Volunteering

Volunteering for the PTFA can be done in many ways. It isn't about helping at physical events.

It can be event planning behind the scenes, wrapping presents at Christmas, making sweet cones, finding raffle prizes, or coming up with new ideas.

If you are interested in hearing more about how you could help please contact Kelly West.

Match Funding

If you work for an organisation that has a match funding policy, any money you raise from specific events could be matched by your employer. Companies may match the fundraising total for an event, or for the stall that their employee is working on.

Usually, the employee will need to supply them with a letter from the PTFA detailing the date and nature of the event, together with the total raised.

We understand that the high street banks, building societies, supermarkets and large corporations are likely to do match funding, but these schemes are not exclusive to the major corporate giants. If you work for an independent company, they may be interested in charitable giving through match funding too.

☀ If you think you may be able to help with this please get in touch
