

Nursery 'Magical Me' Homework Suggestions for Autumn 1

Please understand that these are suggestions for you to do with your child if you wish, we will welcome any homework that comes into school but it is not compulsory.

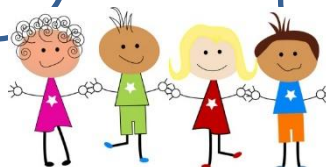

Changes

Look at a photograph of when you were younger and talk about some of the ways you have changed. What did you look like as a baby? What can you do now that you couldn't do when you were little?

Handprints

Use some paint to make handprints of everyone's hands in your family and then cut out the hand prints. Can you put them in order of size from the smallest handprint to the largest? If you don't have any paint, you could just draw around your hands instead.

Helping hands

Encourage your child to be 'a helper' in the kitchen / garden / bedroom. Can they remain focussed and follow instructions to help you complete a simple job?

The Taste Game

Try three new foods. Describe the way they taste and decide if you like them. Share with us what you have done.

Speaking

Practise your favourite Nursery Rhyme. Can you sing it out loud? Perhaps you can

Listening

When you are at home, sit quietly and listen carefully to what you can hear. Tell a grown-up 3 things you can hear in your house or garden.
