

UKS2 Autumn 2

Homework Activities

Use the internet or books to research facts about climate change and global warming.

Write a biography for Greta Thunberg - climate change activist.

Research another 'earth hero'. Create a poster/PowerPoint presentation about this person.

Design and create your own anti-climate change poster.

Read a winter/Christmas themed book. Write book review when you have finished the book and share it with the class.

Follow the recipe to create easy mince pies. Don't forget to ask an adult to help you!
