

Upper Foundation Stage 'Ice Adventures' Homework Suggestions for Autumn 2

Make *

Use this link below to bake and decorate your very own Polar Bear Cupcakes.

<https://realfood.tesco.com/recipes/polar-bear-cupcakes.html>

Experiment

You could look at making ice by freezing water in your freezer. You could stick to ice cubes or try strange shapes like rubber gloves. Then watch it as it melts. You could also carry out an experiment to see what speeds up the melting process.

Design

Can you make...
A penguin out of a toilet roll?
An igloo out of a yogurt pot?
A polar bear out of cotton wool?

Play *

Can you develop your memory skills by playing the arctic animals memory game online?

<https://www.natgeokids.com/uk/play-and-win/games/arctic-animals-memory-game/>

Research

What can you find out about the animals that live at the Polar Regions?
What do they eat?
How do they stay warm?

Try

Write a letter to Santa explaining what you would like for Christmas?

His address is:
Santa's Grotto,
Reindeerland,
XM4 5HQ

He's very busy so make sure it's before 10.12.21.

* Staying Safe Online

Please remember to supervise your child when accessing online material.

If you have any concerns regarding the safety of a child online please speak to Miss Kelly, Mrs Kendall or Mrs Hemingway, our Designated Safeguarding Leads.

Other ways to have fun

'50 things to do before you're five' is a free app full of fun suggestions for activities to try at home or in the local area to support your child's development.

Suggested Activities...

#12 Brrr...Explore the cold!

#16 Whee, bang, whizz!

#34 Woodland wandering!

Evidence Me

Please understand that these are suggestions for you to do with your child if you wish, we will welcome any homework that comes into school but it is not compulsory.
