

Dane Royd Extended Provision

Pricing Policy

Once your child has been allocated a place you must give four weeks' term time notice to cancel this agreement. Any session within the notice period must be paid in full. The extended provision is additional care outside normal school hours. The club's policies and procedures reflect the school policies and procedures available on the school website.

There can be no reduction for absences as costs are still incurred.

Fees

The Club's fees are charged on a sliding scale as follows; one hour is £4.75, two hours is £8.00, three hours is £10.40 and four hours is £11.40. One sibling will receive a 10% discount, all other siblings will be charged at the full rate. Fees will be reviewed periodically.

Payment

Invoices are issued by Wakefield Council confirming your booking period and amount due for that period. Payment details are on the reverse of your invoice. Childcare vouchers are also accepted as payment by quoting your invoice number and by informing your childcare voucher provider with the amount of the invoice to be paid.

Responsibility for payment

The responsibility for payment of fees lies at all times with the person who has made the booking.

The club reserve the right to refuse any child entry into the club until payment is made.

Penalty Charges

Parents who are late collecting their child will incur a penalty charge of the maximum hourly rate for each quarter of any hour (or part of). This will be added to your next invoice for placeholders or on collection for ad hoc users. Any child left for more than 1 hour will result in Social Care Direct being contacted.
