## **Mobile Phone Agreement for Pupils with Medical Needs**

In order to provide necessary access to mobile phones for students with medical requirements, the following agreement between pupils, parents, and school has been established. This agreement aims to ensure the responsible and appropriate use of mobile phones whilst on school premises, while prioritizing the health and well-being of the pupil.

### **1. Phone Usage**

1.1 If a mobile phone is required for medical reasons, the headteacher must be made aware of this and a mobile phone agreement must be completed by the pupil, parents and school.

1.2 Mobile phones are only permitted to be used during the school day for medical reasons.

1.3 Mobile phones must be on silent mode at all times, except for medical alerts. This ensures that any notifications or calls do not cause unnecessary disruptions during the school day.

### **2. Storage and Access**

2.1 When not in use, mobile phones are to be stored securely in a bag, pocket or designated area in the classroom as agreed with the headteacher. This helps prevent distractions and maintain focus during lessons.

2.2 Pupils are responsible for their mobile phones and must ensure they are handled with care at all times. School staff will not be held responsible for any loss, damage, or theft of mobile devices.

### **3. Monitoring and Communication**

3.1 School staff will actively monitor mobile phone usage to ensure compliance with the agreed-upon guidelines and to address any potential misuse promptly.

3.2 In the event of inappropriate use of a mobile phone, parents will be notified immediately, and appropriate actions will be taken in accordance with school policies.

By adhering to this mobile phone agreement, pupils, parents and school staff acknowledge and understand the importance of responsible and limited use of mobile phones, and their commitment to upholding a positive and focused learning environment. The agreement aims to strike a balance between providing access to students with medical needs and maintaining an atmosphere conducive to effective teaching and learning.

Please ensure that you read and discuss this agreement with your child to ensure their understanding and compliance. Keeping lines of communication open between the school and parents is vital to ensure the successful implementation of this agreement.

Thank you for your support and co-operation in assisting us in meeting the individual needs of our pupils while upholding our commitment to maintaining a productive educational environment.
