- You may wish to take the opportunity to visit the city centre and/or visit some of our local visitor sites.

PE

- Children should wear their P.E. kit to school on their P.E. day:
 - ⇒ Year 3 and Year 4 Wednesday
 - ⇒ Year 3/4 Friday
- Please ensure that children have a black jacket and black jogging bottoms for PE to accompany the normal plain white cotton t-shirt (round-neck), socks and trainers.
- Trainers, not football boots, black shorts and a plain white t-shirt if/when warm.
- Earrings must be removed for PE lessons, please remove them prior to the day.

Swimming

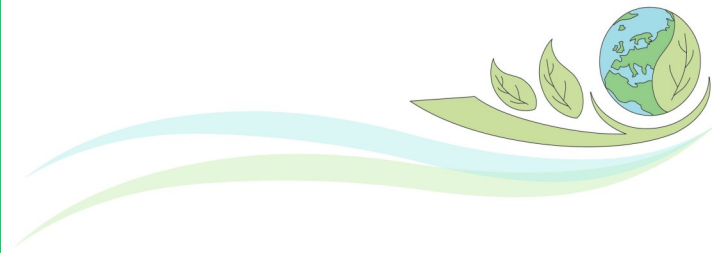

- Children in Year 4 now have Swimming lessons at Sun Lane Leisure every Monday. Children should bring their swimming kit and a towel in a bag on this day, and remember that earrings must be removed prior to this.

Dane Royd Junior & Infant School

Year 3 & 4

Spring 2

Curriculum Booklet

As readers and writers we will be learning to ...

- Write a balanced argument using a range of different sentence types, and a variety of subordinating conjunctions.
- Continue to improve our vocabulary choices with the intent of using ambitious and interesting word choices.
- Develop cohesion and flow within our writing.
- Write a persuasive letter in a formal style.

As scientists we will be learning to...

- compare and group together different kinds of rocks on the basis of their simple physical properties.
- understand that rocks can be formed in three different ways and explain these ways.
- describe the way in which different types of fossils can be formed.
- Study different types of soil, and investigate these in a scientific investigation.

As creative learners we will...

- Investigate the artist Barbara Hepworth, born in Wakefield, and study her simplistic style.
- Sketch, shade and add tone to our interpretation of a Hepworth design.
- Design, make and evaluate bread rolls.

As linguists we will ...

- Learn how to describe fruit and our favourite foods.
- Learn how to describe different animals and talk about the pets that we own.

As mathematicians we will be learning to ...

- Find a shape's area and perimeter.
- Add and subtract fractions, monetary values and solve word problems involving such.
- Understand equivalent fractions and learn how to simplify fractions.
- Solve problems in the context of money.

As explorers we will ...

- Raise geographical questions about Wakefield using appropriate vocabulary.
- Identify human and physical features and compare them to the past.
- Find out why we use map symbols and recognise some of these symbols.
- Understand how to use an OS map to navigate the local area and plan a route.
- Collect data about where we live in Wakefield in relation to school.
- Produce a map to show where we live in relation to school.
