DANE ROYD SCHOOL

Facts

There are lots of people who help us in the community and it's great to learn about how they help us in our day-to-day lives. **Some of these people help us in emergencies**, like fire-fighters, police and doctors and nurses. If there is an emergency, you'll need to know how to get in touch with the right person to help you (however old you are).

Other people help us to stay safe and healthy, like opticians, dentists and refuse collectors.
