

Welcome to Dane Royd

We are a happy and inclusive primary school for children aged 3 to 11. We are passionate about giving all children the opportunity to achieve their full potential and to challenge their own expectations. Our school is dedicated to safeguarding and promoting the well-being of all children and expect our staff, volunteers and parents to share this commitment.

Our rich, varied and well-thought-out curriculum is one of the school's key strengths. It has tremendous breadth, offers challenging learning and captures the interest of all pupils. At the heart of our curriculum, the compelling range of stimulating activities, ensures that pupils' spiritual, moral, social and cultural understanding develops well. The curriculum prepares our children for global citizenship, equipping children for life in modern Britain. Pupils learn to be reflective and are encouraged to think about sensitive issues. They have a strong sense of what is right and wrong and recognise what is fair and what is not.

Children are given many opportunities to explore and develop their own talents in areas such as art, music, sport and languages. The school employs specialist staff to ensure that our children have the very best start in life.
