Arts & Design

Use crafting materials and junk to create some emergency vehicle models. Can you choose the right colours?

Can you see a repeating pattern?

How can you stick the pieces together?

Role play

Why not visit a local miniature play village; immerse yourself in the many role-play shops and businesses - joining your child in imaginative play with dress-up and props! Alternatively play at doctors & nurses at home; or shopkeepers, hairdressers, builders and mechanics.
